

SOLUTION FOR HEALTH

Your Trusted OEM/ODM

**Manufacturer for Pharmaceutical,
Nutraceutical & Ayurvedic
Products**

About us

Kript Pharmaceuticals Private Limited is a premier original equipment manufacturer (OEM) in the pharmaceutical industry. Kript Pharma is a registered Indian company based in Asia's largest Pharma Hub, known for its diverse product range. In addition to pharmaceuticals, nutraceuticals and Ayurveda, we excel in providing hospital furniture and equipment services, equipping hospitals globally.

Our strength is sourcing the finest raw materials from international locations, ensuring top-quality formulations, nutraceuticals, and medical furniture. With the right & strategic collaborations in various manufacturing plants, our integrated production and quality control team implements best practices and conducts rigorous inspections to meet stringent regulatory standards.
