

WELCOME TO SALIUS PHARMA

Restoring Health & Happiness

A GLANCE AT US...

Introducing Salius Pharma, a multi-specialty, fully integrated healthcare company of a 15-year legacy rooted in the heart of Mumbai, India — engaged in the development, marketing, commercialization, and export of a diverse range of products. Our portfolio includes pharmaceutical bulk drugs (APIs) & excipients which we supply to several countries around the globe.

With a strong commitment to improving global healthcare, Salius Pharma has established itself as a reputable leader in the distribution and export of APIs & excipients. Backed by years of industry experience and dedication, we are trusted partners in the pharmaceutical sector.

Our manufacturing facilities confirm to the highest international standards and stringent guidelines as laid down by the World Health Organization Current Good Manufacturing Practices and have been certified to follow GMP as laid down by WHO, Health Canada, UK MHRA & USFDA.

COMPANY HISTORY & HERITAGE

Founded in 2011, Salius Pharma quickly gained industry recognition for its robust infrastructure and export capabilities. Within a few years, it established itself as a trusted supplier to major Indian and international pharmaceutical firms, backed by expertise in regulatory affairs, manufacturing, and quality compliance.

Its associated facilities have consistently met international audit standards, enabling the company to supply certified products to highly regulated markets globally.

Supported by a talented team of regulatory professionals, pharmacists, technocrats, and scientists dedicated to innovation and continuous improvement, Salius leverages research and advanced technology to serve diverse global healthcare markets effectively.

CHAIRMAN'S MESSAGE

"Delivering Healthcare with Technology, Vision & Innovation"

It is a tremendous source of pride to be the leader of an organization that is driven by innovation, integrity, and an unrelenting desire to improve the health of millions. For Salius Pharma, our belief is that quality healthcare is a right and not a privilege. That belief drives us into everything we do.

Mr. Abani Kanta Patra, Chairman & Managing Director

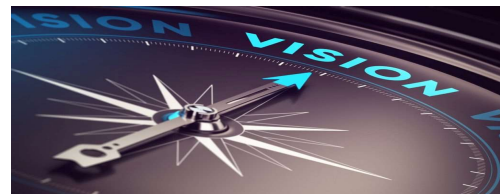

OUR CORE

MISSION

We aspire to discover, develop, and market drugs that prevent diseases, diagnose them, and cure them with the latest technology, world-class manufacturing infrastructure, and unwavering focus on quality. With faith, commitment, and compassion guiding us, we walk towards a healthy tomorrow

VISION

To become India's pre-eminent pharmaceutical company and a global brand to be reckoned with, delivering innovative, affordable, and quality healthcare solutions that make a difference in people's lives.

SALIUS PHARMA SPECIALIZATION

- Manufacturing of APIs, Excipients & Bulk Drug Intermediates
- Supply of Nutraceuticals and Herbal Formulations
- Customized Sourcing & Global Regulatory Documentation Support
- Contract Manufacturing & Private Labeling Services

Our mission is to deliver high-quality, globally compliant pharmaceutical ingredients with speed and precision. Operating in highly regulated markets, we ensure consistent product availability, competitive pricing, and regulatory support—catering to both standard and custom requirements across the pharmaceutical and healthcare industry.

QUALITY AND COMPLIANCE

TOTAL QUALITY MANAGEMENT SYSTEM

Our production processes are backed by an effective Total Quality Management (TQM) system, where the monitoring is stringent at all stages—from raw material procurement to final dispatch of the product. Each product goes through several checkpoints for meeting domestic and foreign regulatory standards.

Raw materials, intermediates, and finished goods are tested in government-approved and certified laboratories.

Only after subjecting each batch to stringent analytical and microbiological tests is it cleared for release.

CUSTOMER COMMITMENT

Salius Pharma is firmly committed to building long-term partnerships rooted in trust, transparency, and reliability. We strive to exceed customer expectations by consistently delivering high-quality pharmaceutical products supported by timely, comprehensive regulatory documentation. Our customer-centric approach ensures tailored solutions, responsive service, and unwavering support at every stage of the supply chain. At Salius, we measure our success by the satisfaction, loyalty, and continued confidence of our global partners, placing customer success at the heart of everything we do.

GLOBAL REACH

Salius Pharma has established a strong international presence, with its corporate headquarters in Mumbai, India, and a robust network of WHO-GMP certified manufacturing partners. Our global footprint spans across Latin America, Central America, the Caribbean, Southeast Asia, West Africa, and the CIS region, enabling seamless distribution of APIs, excipients, and nutraceuticals to a diverse customer base. With a deep understanding of regional regulatory landscapes and efficient logistics coordination, Salius ensures timely delivery and compliance across multiple markets—demonstrating our commitment to advancing global healthcare access.
